## **NMSO Flex Passes and Gift Certificates On Sale Now**

### ***The Perfect Holiday Gift for Music Lovers***

**(ALBUQUERQUE, NM, Dec. 1, 2009)** - The New Mexico Symphony Orchestra's Flex Passes and gift certificates are now on sale just in time for holiday gift giving.

Flex Passes cost \$35 each and may be redeemed for one seat to a performance of any regular Classics, Pops, or Symphony Under the Stars concert. Since the Flex Pass is redeemed for the actual concert ticket you don't need to worry in advance about schedule conflicts, choosing dates or seat preferences. Additionally, patrons redeeming them can often get tickets that far exceed the \$35 price of the Flex Pass.

The NMSO is also selling gift certificates, which can be purchased in any denomination. They can be redeemed for their dollar amount toward the purchase of concert tickets to any NMSO event.
